28 June 1973

MEMORANDUM FOR: AD/DCI/IC

SUBJECT: Ex Com

1. Ray Cline phoned on the green referring to an earlier pitch he had made to Mr. Schlesinger to become a member of Ex Com. He said that Secretary Rush, having been a member in his earlier position, had pressed him to establish State representation on Ex Com. He said that Mr. Schlesinger had taken it under advisement but nothing had developed.

2. Mr. Cline said he would be quite content to let the full membership question drift a time and would be satisfied for the time being with status as an observer. He referred to the fact that an Ex Com meeting is scheduled for 25 July and hoped this could be accomplished in order for him to attend this meeting.

3. I said I would look into the matter. Could you give me your recommendations?
